Social Media Policy

The Wichita Chapter of the Institute of Internal Auditors maintains social media sites as a place where its members can find a sense of community, information on meetings, networking opportunities, and other industry related topics. All posted information must add value to the profession, The Institute of Internal Auditors, and the Wichita Chapter of the Institute of Internal Auditors.

By attending a Wichita Chapter IIA meeting or event, you agree to allow your picture to be taken at the meeting or event for use on the Wichita Chapter IIA Social Media site(s). The Wichita Chapter will not tag or name individuals in the posted pictures without written consent.

*THE CHAPTER RESERVES THE RIGHT TO DELETE ANY POST THAT IT FEELS DOES NOT ADD VALUE TO THE SITE-NO JOB POSTING IS ALLOWED. PLEASE REFER TO THE JOB POSTING POLICY FOR JOB POSTING INFORMATION*

Remember, if a member has to pause to think about whether an item or comment is appropriate to post, it should probably not be posted. Members are responsible for anything they post.

**Tagging:** Members are free to tag themselves any event photographs posted on the page. However, the Site Administrator(s) reserves the right to remove tags.

**Sharing:** Posts may be shared to further the Chapter’s goal of building community and awareness of the industry.

**Private Message:** Should members have concerns or feedback, please private message the Site Administrator(s).

**Approved Hashtags:** Hashtag popularity has grown and are a way to find similar posts quickly. While members may create their own hashtag(s), the Wichita Chapter has two approved hashtags for linking chapter related posts; #wichitaiia and #ictiia. Again, members are responsible for anything they post.

**Blocking Members:** Should it be determined that a member is abusing the social media site(s), the Board of Governors reserves the right to block individuals as needed.

**Member Concerns:** If at any time a chapter member has any questions or concerns related to our social media sites, please contact the Social Media Lead at wichitachapteriia-socialmedia@outlook.com.

Please refer to the Wichita Chapter IIA Privacy Policy for all questions or concerns regarding the use of personal information.
