November 2013
President's Message

In the spirit of Thanksgiving, I would like to take a minute to thank each of you for being a member of the IIA, specifically the Wichita Chapter. I really appreciate all of the help and participation we receive from you each month.

This month we had Malcolm Harris, Professor of Finance, with Friends University present on *Quantitative Easing, Bubbles, Bankruptcies, and Corporate Fraud: What the Auditor Should Know About Where the Economy Has Been and Where it is Going*. He gave a presentation on where the economy has been and where it is today. It was an enlightening presentation that really made you think. Thank you Dr. Harris for your presentation!

Each year, the Wichita Chapter selects an organization to support. This year, the Board has chosen to support the Kansas Children’s Service League (KCSL). If you would like to participate, please bring a gift or monetary donation to the December meeting to be presented to KCSL. The gifts and donations will be used to help make the Holidays special for children and families the KCSL serves in Kansas. You can [click here](#) for additional information.

If you couldn’t make it to our meeting this month, don’t worry. There are still training opportunities available for you through the Members-only webinar series for the month of November. The IIA hosts two complimentary Members-only Webinars every month. Take a look at what is coming up. It’s not too late to register:
