April 2014
President’s Message

Thank you to everyone who attended student day. We appreciate the support you showed our Chapter. I would also like to thank the panel for your insight into the profession and Friends University for hosting our chapter event for the third year in a row. I appreciate the continued support you show to the Wichita IIA Chapter and the Internal Audit profession. I would also like to thank Jim Jacobs for all of the work he did orchestrating our location and lunch.

If you missed our meeting, we had four IIA members, moderated by Dr. Malcolm Harris, speaking about the Internal Audit profession, what they do, and why being an internal auditor is a great choice. The interaction with students and members was wonderful, and the panel did an excellent job fielding the questions. Again, thank you to everyone who helped make this Student Day a success!

If you couldn’t make it to our meeting this month, don’t worry. There are still training opportunities available for you through the Members-only webinar series. The IIA hosts complimentary Members-only Webinars every month. Take a look at what is coming up.
