Dear Chapter Members,

Winter had its last hurrah and spring seems to have sprung at last! It goes quickly though. May is our last monthly chapter luncheon and we will take a break for the summer months. See inside the newsletter for next year’s luncheon schedule and save the dates on your calendars. The chapter board is evaluating pricing and payment options for next year and as always we are looking for speakers, so let us know your ideas.

Through the summer the chapter board will continue to working together on various activities to benefit the membership including reviewing financial information, budgeting for next year, and planning chapter training. The annual membership survey is currently open, please take a few minutes to complete this brief and important survey and give your feedback. The link to the survey is: https://www.eiseverywhere.com/esurvey/68718

The IIA Alaska Chapter is hosting a two-and-a-half-day local training with Raven Global Training in August. Please be sure to sign up early so we know many people will be attending. Information and the link to register is in this newsletter.

The chapter currently has several open positions available for volunteers, some of which are required by the IIA so many of the current board members are serving double duty. If you have ever considered volunteering with the chapter, now is the perfect time! Volunteering with the IIA is a great way to network with your peers and develop your leadership skills. Contact a board member if you would like more information on how you can get more involved.

Remember to RSVP for the May luncheon using the link in the newsletter. Have a great summer!

Regards,

Cindy Fields, CIA
