President’s Message:

As we approach the end of the Chapter year, I would like to take a moment to thank everyone for their service to the Chapter. Thank you to all of our officers and governors who work so hard to run the Chapter and put on great events and service our members. Thank you also to all of our members for your participation and attendance at all of our events. We truly appreciate everyone's contribution to the profession.

We have only two luncheons left in our Chapter year. Up next is our April luncheon which will be at Ruffino’s. Jude Viator, Associate Director with Postlethwaite & Netterville, will be speaking on SOC reporting. Then in May we will celebrating International Internal Audit Awareness Month by giving back to our members by offering free registration to our monthly luncheon. Be on the lookout for the invite to this luncheon and sign up early as space will be limited.

Hope to see you all out at one of our final events of the year.

Thank you,
Kristin Bourque
IIA Baton Rouge Chapter President
