President’s Message:

Hello All!

I hope you and your families are well.

As we make our way through the second half of the chapter year, we still have some great upcoming events planned for our members. In addition to the March webinar, which you can find a direct registration to on the following page, we are in the process of finalizing our spring seminar. Be on the lookout for additional information in the coming weeks!

We have already begun identifying those members who will lead our chapter next year. If you are interested in a leadership position, please contact us at Chapter121@iiachapters.org by Wednesday, March 31st. We are always looking for new volunteers to help lead our chapter!

Thank you,
Louise Henry
IIA Baton Rouge Chapter President
Date: March 30, 2021  Time: 12:00 am – 1:00 pm

Location: Online Webinar via Zoom

Event Description:
With today’s speed of business, Internal Audit leaders need to be agile in order to stay relevant. Although we need to be willing and able to audit anything; we can’t audit everything, and so we need to know what matters most to our enterprise. In this session, we will learn how to move from being separate and having to integrate; to being more integral to the Enterprise Risk Management program. Topics to be discussed include:

- Alignment with maturity models and IIA guidance
- How to get in the middle of ERM
- Examples of ERM linkage to internal audit plans
- Report a higher level of risk assurance coverage
- Successes and challenges

Speaker: Tim Berichon, CPA, CIA – Managing Director of Insights & Intelligence and CAE Services IIA

Tim is a Finance Leader and Speaker with diverse, in-depth experience in financial, operational, and compliance activities, including multiple divisions, processes, technologies and international geographies; improving processes, controls, employee engagement, and customer service.

Tim has 30 years of finance and operational management and leadership experience, including Internal Audit (IA), Operational Finance, Public Accounting and Strategic Alliances. Tim has been the Chief Audit Executive (CAE) for multi-billion dollar global public companies, and in Operational Finance Leadership in both small and larger business units including $250m complex, international assignment. Tim is a CIA and CPA, and is Managing Director of Insights & Intelligence and CAE Services at The IIA.
