About the IIA Calgary Chapter

The Calgary Chapter of the IIA comprises of approximately 600 audit professionals from a wide variety of industries. Our members are committed to the principles of the internal audit profession. All proceeds from sponsorships are used to fund the Chapter’s professional education and outreach programs. The professional development program is operated on a not-for-profit basis with any surplus funds reinvested into areas that benefit our members.

Sponsorship options listed below are on an event or fiscal year basis (IIA Calgary fiscal year June 1 – May 31). All sponsors must complete a signed Sponsorship Agreement which last for the duration of the event or the fiscal year depending on the sponsorship option chosen.
