A MESSAGE FROM THE PRESIDENT

Chapter Members –

March has arrived and it feels like Spring is right around the corner! There are only a few more months left in our chapter year and we have great programming in March, April, and May. Hopefully you'll be able to make it to an upcoming event.

As we look to the next chapter year, we will be holding our annual elections at the upcoming March meeting. Check out the bios for our nominees on the Central Iowa Chapter website and come join us on March 10th to cast your vote. We will be at the Wakonda Club to hear Jeff Selberg, CIO of Fastpath, discuss the importance of companies protecting their company data and operations in order to not become the next news headline.

In the upcoming month, be on the lookout for the below communications from your Central Iowa Chapter. They will also be included in the April newsletter in case you miss it. You also can always find events, news or other happenings on our Chapter Iowa website.

• Annual Membership Survey for the Central Iowa Chapter – Let your voice be heard!
• Registration Link for the 2020 District Conference to be held August 3rd-4th
• Chapter Celebration for our 50th Anniversary – Networking Event

If there is anything we can do to serve you, as a member, please don’t hesitate to let us know (Chapter96@iiachapters.org)

Ashley Ryan, Central Iowa Chapter President

CAP REPORTING – GOING FOR GOLD

The Chapter Achievement Program (CAP) is an achievement and recognition program for chapters that use points to recognize chapter activities aligning with the North American Strategic Plan. The program helps to set minimum standards of performance for service to members and to the profession. It also provides a means to evaluate chapter success.

A chapter must earn the minimum CAP points annually in each of the 3 service categories to participate in the CAP program. The 3 service categories are: 1) Service to Members, 2) Service to the Profession, and 3) Chapter Administration.

Our new term started June 1st. Below are just some ways you can help us easily earn CAP points and we would certainly appreciate your help. You can help the Chapter earn CAP points by:

- Attending chapter events (luncheons, seminars, socials, and student events, etc.)
- Submitting articles to the Internal Auditor magazine, or other professional journals; extra points are given if your article is published
- Meeting with a legislator or local politician to discuss The IIA, legislation, etc.
- Conducting a speaking engagement in or outside the US, Canada, Caribbean (unpaid)

Please send all activities you, as a member, participate in related to the categories below to our Chapter Email - Chapter96@iiachapters.org
