Tour of TVA's Chickamauga Dam

Date/Time: January 22, 2019 (12:30-1:30 pm OR 1:45-2:45 pm)
Location: TVA Chickamauga Dam
Cost: Free

Due to the great success and interest we had in the Volkswagen plant tour in a prior year, we have asked TVA (which they graciously obliged) for a tour of one of its local dams. Chickamauga Dam is a hydro power generating facility and our tour will include visiting the powerhouse, control room, and supporting systems. We look forward to seeing all of you as we learn about how this nearly 100 year old plant provides power, prevents flooding in our local area, and much more!

Because we are limited to 2 groups of 20 people, priority will be given (1) on a first-come, first-served basis, and (2) to IIA members over non-members.

To RSVP, contact Janna Hixson (janna-hixson@utc.edu) by noon on Thursday, January 17, 2019. Please include in your email your preferred time and/or if you are flexible with time. Click here for a map containing travel instructions.
