President’s Message

Dear Chapter Members,

As we start the 2020-2021 Chapter year, the Officers and I would like to thank you for your continued dedication to the Chapter. Despite these unprecedented times, we want to continue to grow our knowledge and network with other members within the Chapter. The Officers and I want to make sure that the safety of the Chapter members is top priority and therefore have made the difficult decision to move the remainder of the 2020 events to virtual. We have been diligently working with IIA headquarters and Chapter Relations to make this virtual training transition effortless for our members. The Officers and I will reevaluate the situation and make the determination when in-person trainings can resume closer to 2021.

If you haven’t done so already, please sign up to join us virtually for our September 17th State Ethics CPE presented by Dr. Perry Moore.

I look forward to serving you all as The IIA East TN Chapter President this year!
