The Institute of Internal Auditors - Florida Space Coast Chapter

JOIN US ON 03/27/2020 AT FIT IN MELBOURNE FOR OUR NEXT EVENT! 3 CPE WITH MR. EXCEL!

Bill Jelen is the host of MrExcel.com and the author of 62 books about Microsoft Excel including Excel Gurus Gone Wild, Pivot Table Data Crunching, and Excel 2019 Inside Out.

2:30PM-5:30PM - POWER EXCEL SEMINAR

You use Excel 40 hours a week, but do you really know how to unleash the power of Excel? Learn cool secrets and tricks lurking on the Data tab. Learn the ins and outs of Pivot Tables (from the guy who wrote the book on pivot tables!). Create slick charts in a single button click. Add thousands of subtotals in seconds. Learn VLOOKUP and XLOOKUP tricks. Don’t be tortured by bad data any longer.

Participants in the session will receive a copy of Jelen’s book, MrExcel LX - The Holy Grail of Excel Tips, a book written to accompany the live seminar.

FIT STUDENTS - $10
FIT FACULTY & IIA MEMBERS - $30
NON-IIA MEMBERS - $40

JOIN US ON 05/07/2020 AT PIZZA GALLERY FOR 2 CPE ON THIRD PARTY RISK MANAGEMENT

Jeanette York, Director, Financial Services Standards & Guidance from IIA HQ will be presenting on Third Party Risk Management.

3:00PM-5:00PM - THIRD PARTY RISK MANAGEMENT

This session will assist internal auditors in becoming better informed and educated on risks related to third-party providers and how their organization manages them. Risks across the full vendor life cycle will be discussed, including the appropriate sourcing, ongoing management, and termination of vendors. This session will also explore risks resulting from the types of services being provided and the sensitivity of data being shared is covered. Finally, we will discuss considerations for planning and executing third-party risk audits appropriate to the size, scale, and risks facing an organization.

LEARNING OBJECTIVES:

• Learn about key roles, responsibilities, and risks involved in managing third-party providers.
• Learn how to design a third-party risk audit coverage approach.
• Get tips on how to approach assessing third-party risk management activities across the business, oversight, and control functions
