FLORIDA WEST COAST CHAPTER MEMBERS GET SPECIAL RATES ON THESE BEST-SELLING COURSES!

As the recognized authority and principal educator for the internal audit profession, The IIA provides comprehensive and in-depth training on a variety of topics. We are offering special rates to members of the IIA's Florida West Coast chapter for online training for the following courses:

- **Cybersecurity Auditing in an Unsecure World** provides an understanding of cybersecurity concepts that can be used to facilitate integrated audit efforts within your organization. This course will examine preventive, detective, and corrective controls, and how to apply the audit process to a cloud environment. You will also be exposed to the mobile environment and cyber standards, as well as learn how to audit common security solutions. 2 days, 16 CPE. Chapter member price: \$720.
- **Fundamentals of IT Auditing** is an introduction to IT auditing, emphasizing the concepts through exercises and case studies. The course will also provide attendees the opportunity to perform an audit of IT applications supporting key business processes, coordinate the assessment of IT risk with the evaluation of IT general controls, and perform a risk assessment and evaluation of controls over end user computer applications. 2 days, 16 CPE. Chapter member price: \$720.
