

**Florida West Coast Chapter  
We appreciate our members!**

**Members-Only Webinar**

***Wednesday, September 15, 2021, from 1:00 pm – 2:30 pm EDT***

**Cost: Free!**

**NASBA CPE\*: 1.5**

Join the IIA Florida West Coast Chapter as we welcome **Suzanne Beers** founder of Productivity Systems, LLC. This webinar is designed to assist you in discovering bias awareness and working to develop skills to improve inclusiveness. Suzanne's extensive leadership training and gentle demeanor have been recognized by organizations throughout the U.S. We are pleased to have her present to our chapter in this members-only event.

*Program Details\*\*:*

**Discovering Inclusiveness**

*Field of Study:* Personal Development  
*Program Level:* Basic  
*Prerequisite:* None  
*Who Should Attend:* Anyone interested in inclusiveness

*Session Overview:*

Discovering Inclusiveness covers bias awareness, growing key skill areas, and getting results. Provided resources include access links to self-assessment, journal to track progress and transformation, and summary infographics for reminder and retention.

After this session, participants will be able to:

- Understand important biases and how it may impact others and your effectiveness
- Identification of key skill areas to focus on building confidence and competence in inclusive behaviors.
- Identification of action areas to maintain competence with inclusive behaviors

## Florida West Coast Chapter

### *About the Presenter:*

**Suzanne Beers** came to concern for leadership and inclusive behavior through work with professional staff at multi-national and domestic corporations including pharmaceutical, technology, and fortune 100 companies over 40 years. In the last two years, she has written "Inspired Results" leadership and "Inclusive Culture" development training programs with plans to distribute Life Balance 4 Impact skill building programs of many "Impact Wizards" via her "LifeBalance4Impact" mobile application. Her mission is to build confidence and competence that leads to flow experiences, life balance, and inspirational impact.
