Continuing Professional Education (CPE) and Continuing Professional Development (CPD) Requirements—Ethics!

In 2019, two of your CPE/CPD credits must be earned in Ethics. Learn more. The IIA currently provides Ethics for Internal Auditors, an OnDemand course that can help you obtain these CPE. The IIA will be adding additional ethics training options throughout 2019 and beyond.

ETHICS TRAINING

Kill 2 Birds With One Stone!!!
You Can’t Beat This Deal With a Stick!!!

Individuals with certifications from the IIA are required to complete two CPE hours focused on the subject of ethics annually. Ethics training hours may be applied toward the individual’s total annual CPE requirement. The IIA does not prescribe where an individual must obtain this training. However, the training must occur annually, within the reporting period. This course is designed to meet the IIA’s annual Ethics requirement.

This course is also designed to meet the four-hour ethics CPE requirement for Texas CPA’s. The course overviews ethical judgment and the ethical standards of the profession and will aid Texas CPA’s in applying ethical judgment when interpreting the various standards and rules applicable to the practice of public accountancy within the State of Texas. The materials provide illustrative examples of real-life ethical dilemmas and include preventative measures to avoid ethical violations.

CAP Reporting

We have achieved GOLD for 2019!!

Overview

Chapter Achievement Program (CAP) is a chapter benchmarking tool that provides guidelines for expected performance at the chapter level. The IIA sponsors the CAP as a way to recognize and encourage local chapters to participate in activities that promote the overall IIA and chapter objectives and membership growth. The chapter earns points by participating in activities that support its members, the profession, and the community.

IIA currently offers four levels of CAP performance. A chapter can advance from one level to the next by accumulating the points noted below:

- **BRONZE** – 685 CAP Points
- **SILVER** – 1,060 CAP Points
- **GOLD** – 1,560 CAP Points
- **PLATINUM** – Special level to recognize chapters that attain GOLD status for 10 of 11 consecutive years.

CAP points are earned for our accomplishments in three service categories:

- Service to Members
- Service to the Profession
- Chapter Administration

How can you help us reach our goal?

- Any speaking engagement on internal auditing for which CPE was awarded, date, location and number of CPE
- Submit articles to be published in the Internal Auditor (extra points for getting published!!!)
- Submit articles to be published in other professional journals
- Serve on an IIA Quality Review Team
- Submit exam questions for CIA
- Teach in Junior Achievement

These are few examples. If you have performed any of the above, please email our President, Loretta Salvatore at Loretta.Salvatore@fwisd.org with details.
