

UNIVERSITY OF NORTH TEXAS
PASS
(Professional Accounting Student Society)

Mission is to expose University of North Texas (UNT) business students to the various accounting professions by developing networking opportunities with practitioners in those fields.

Weekly meetings are held on Wednesday evening from 5:00 to 6:00PM and bi-weekly business meetings are held on Monday evenings from 5:00 to 6:00PM. During these meetings, your company will have the opportunity to give a presentation to our Chapter and on current events and topics around the accounting profession. These meetings are a great way to meet and network with our members.
