President’s Message

Halloween is here and the temperature will be 67° tonight. Hopefully the current weather is an indicator of a slow transition from fall to winter.

I encourage everyone to look into the new guidance with its updates and changes. Attached is a link to the IIA website which directly explains the new information:

https://na.theiia.org/standards-guidance/Pages/NewIPPF.aspx

I hope as you take time out of your busy schedules and workdays to review the new IPPF that you’ll glean additional knowledge providing you with the ability to be an extraordinary auditor.

The Heartland-Iowa Chapter has once again received “Platinum” status with the IIA’s Chapter Achievement Program (CAP)! This program provides recognition to chapters that achieve various levels of points through service to their members and the profession. One of the ways to earn CAP points for the chapter is through volunteering. The local Junior Achievement groups are always looking for volunteers; anyone interested in volunteering for JA should reach out to Amy Andersen aandersen@jaeasterniowa.org for Linn County, Val Calderwood vcalderwood@jaeasterniowa.org for Johnson County, Karen Gallant kgallant@jawaterlooregion.org in Waterloo or Stacy Voelliger stacy.voelliger@ja.org in the Quad Cities. Our chapter receives CAP points for volunteer work.

The Heartland-Iowa Chapter continues to grow as we welcome new members and Internal Audit organizations into the area! We are continuously seeking enthusiastic volunteers – at all stages of their careers – to volunteer on one of our many committees; members can earn CPEs through volunteering efforts. The chapter is currently looking for a volunteer to manage the chapter website and social media presence; anyone interested in volunteering should contact Julie Hupp, hupp2345@southslope.net or me, Royce Pevy, pevyr@act.org.

Thanks Again!

Royce Pevy
