President’s Message

Welcome to a new chapter year. Our first meeting is coming up next month. Kayla Flanders from the Des Moines chapter will deliver the same presentation that she gave at The IIA All Star Conference, so what a deal. You can experience a part of the All Star Conference without booking a flight or hotel.

We have some new chapter leaders so introductions will be sent out soon. As always, feel free to reach out to any chapter leader with questions or suggestions. I hope to see you next month.

About the Program
Different stakeholders have different expectations. Some expectations may be driven by stereotypes of internal auditors and we will discuss strategies to overcome them.

We will:
• Explore how stereotypes for internal audit shape stakeholder expectations and examine how our client perception of audit is our reality
• Determine internal audit's role in perpetuating or negating stereotypes and then meeting or changing those expectations
• Gain techniques to combat stereotypes and shape expectations for the future
• Challenge the one-size-fits-all approach and develop understanding around individualized stakeholder expectations
