The IIA 2016-2017 Long Island Chapter Seminars

An Exceptional Educational (CPE/CPD) Value!

The Institute of Internal Auditors Long Island Chapter is pleased to continue its tradition of offering high-quality focused educational events to our members. These seminars provide relevant, current content and provide a high degree of value to attendees. Our 2016-2017 schedules (see page 2) includes coverage of key issues and relevant skills presented by recognized experts in an informative and relaxed setting. Each seminar (full-day and half-day) will provide 4, 5 or 8 CPE/CPD credits, a total of 48 for all eight (8) seminars. All of the seminars will be held at the centrally located Melville Marriott and include breakfast and lunch. Please note the November Annual Fraud Conference is on Wednesday November 16th. All other programs will be held on Fridays.

Save even more with our Subscription Plan!
