The IIA 2018-2019 Long Island Chapter Seminars

An Exceptional Educational (CPE/CPD) Value!

The Institute of Internal Auditors Long Island Chapter is pleased to continue its tradition of offering high-quality focused educational events to our members. These seminars provide relevant, current content and provide a high degree of value to attendees. Our 2018-2019 schedule (see page 2) includes coverage of key issues and relevant skills presented by recognized experts in an informative and relaxed setting. Each full-day seminar will provide 8 CPE/CPD credits, a total of 48 for all six (6) seminars. All of the seminars will be held at the centrally-located Melville Marriott and include breakfast and lunch. All programs will be held on Fridays.

Save even more with our Subscription Plan!

The 2018-2019 subscription cost is $850 for six (6) seminars; this is a 19% savings ($200) off our already low member prices. A subscription may be shared among employees from the same company. Subscription credits can be used to fit your busy schedule so that if a session is missed, you can make up for it in future sessions within the program year. This is an exceptional educational (CPE/CPD) value!

There are two ways to obtain a subscription:

1) To pay by credit card, please register and pay via CVENT by using the “subscribe” button below.

2) To pay by check, make your check payable to “IIA Long Island Chapter,” complete a Manual Subscription Form (see page 3), attach your check and mail to: Institute of Internal Auditors - Long Island Chapter c/o Jeffrey Speed, P.O. Box 442, Smithtown, NY 11787.

The Officers and Governors of the Long Island Chapter of the IIA look forward to serving you during the 2018-2019 Chapter year. It is an honor for me to serve as your President, and I hope that you will take advantage of the quality local training and the discounted subscription plan. This is a joint effort between the Members, Officers and Governors that allows the Long Island Chapter to provide the high-quality, low-cost training and networking opportunities that it has for many years.

Please contact me if I can be of assistance.

Sincerely,

Lauren M. Agunzo, CPA/CFF
