8:30 a.m. – 5:00 p.m.

(8 CPE/CPD Credits)

Event Summary

This conference will feature a variety of current IT topics with significant relevance to the internal audit profession. Here is a glimpse of the topics:

- A Look Inside the Crystal Ball: IT Emerging Trends in 2018
- Auditing Mobile Devices and Mobile Management System
- Incident Response – Learning how Breach Preparation can Drive Down Loss

8:30 – 8:45 AM: Welcome and General Chapter Announcements

8:45 – 10 AM: A Look Inside the Crystal Ball: IT Emerging Trends in 2018

Our day will begin with a discussion on IT emerging trends. We will discuss what are the technology trends and predictions for 2018, including how cybercrime is evolving. We will also discuss various technology solutions and how our assessments are evolving to address these changes in both capability and use. We will also highlight various tips on how to assess the risk and execute audit fieldwork.

10 – 10:15 AM: Morning Break

10:15 – 11 AM: A Look Inside the Crystal Ball: IT Emerging Trends in 2018 (Continued)
11 – 12 PM: Auditing Mobile Devices and Mobile Management System
We will discuss both mobile technology and mobile applications. We will share with you the capabilities and risks of Mobile Management (Enterprise Mobility) solutions. We will also discuss what should be included in a mobile computing audit.

12 – 1 PM: Lunch

1 – 2 PM: Auditing Mobile Devices and Mobile Management System (Continued)

2 – 2:30 PM: Incident Response – Learning how Breach Preparation can Drive Down Loss
Our day will conclude with a discussion on Incident Response and why preparation is critical to the Incident Response Program. We will discuss what should be included in the Incident Response Plan, and why training and testing are critical. We will also discuss how audit can participate in Incident Response Exercises and how we can assess the effectiveness of the Incident Response Program.

2:30 – 2:45 PM: Afternoon Break

2:45 – 5 PM: Incident Response – Learning how Breach Preparation can Drive Down Loss (Continued)
About our Presenter:
Shawna Flanders is the Director of Instructional Technology & Innovation at MIS Training Institute (MISTI). Shawna’s passion rests firmly on three pillars: 1. Enriching companies in building and improving their strategies, programs and underlying processes (primarily within technology, Technology Internal Audit, IT GRC, Technology Related Risk Management, Information Security, BCP/DR, Project Management and Process Reengineering); 2. Mentoring individuals: both in the topics above, as well as aiding in their quest for ISACA certifications; 3. Enhancing and developing curriculum and other publications to improve the profession.

With nearly 29 years of experience in the financial services sector, Shawna brings her real world experience to every engagement. She has completed certificate programs in Risk Management from Kaplan University and Six Sigma Green & Lean/Black Belt from Villanova University, and has earned the Life Operations Management Association – Associate of Customer Service designation, as well as holding certifications in CRISC, CISM, CISA and CSSGB.

Shawna teaches several MISTI seminars. She designs her own course content and also has contributed and/or reviewed multiple publications including ISACA CRISC and CISM Review Manuals; Risk IT and COBIT® 5 for Risk. She has also participated in development of the Risk Management and Assurance ISACA Training Week courses.
