President’s Message

The IIA Memphis Chapter’s 2013-2014 year is coming to an end on May 31, 2014. We had a successful year! I would like to express my thanks and appreciation to all of the IIA members. Because of you, we have maintained our Platinum status.

Thanks to our officers and board of governors for their efforts and time spent during the year. Our leadership team members have full time jobs at their respective organizations and I appreciate the amount of time they have been willing to sacrifice to help run the chapter. As always, a big “thank you” goes out to the great team of volunteers for planning fantastic events, maintaining the website, and issuing our CPE certificates and newsletters……..Thank You!!

I am excited to have had the opportunity to be an officer of this awesome chapter. We have a great group of officers to lead the chapter for the next two years who will begin planning this summer to ensure our chapter continues to provide a quality service to its members. We hope you will continue to support the Memphis Chapter!!!! Again, I appreciate my time as President and hope each of you have a wonderful summer!

Regards,

Shonda Summers

Guidance Webinar: Independent Audit Committees In Public Sector Organizations

Independent audit committees help public sector organizations meet taxpayers’ increasing demands for transparency and accountability by providing oversight of management practices in key governance areas such as risk management, internal audit, value and ethics, governance, financial stability and others. Strong audit committees build public trust and confidence in how organizations are managed and strengthen the independence and value of the internal audit activity.
