About the Speaker:
Recognized by the AICPA as one of the top technology assurance professionals under the age of 40, Mike Skinner is the partner in charge of HORNE Cyber. His primary focus is to enable clients to fully leverage technology innovations by providing the insights critical to safeguarding their business, customers' critical data and brand reputation. He is responsible for information technology audit, regulatory compliance, information security consulting, internal control consulting and business solution implementation.

Mike has been with the firm for more than five years and has ten years additional experience working with regional and local firms, including a national retail telecommunications firm and a Fortune 500 international transportation provider.

Mike earned his Bachelor of Accountancy and Master of Accountancy, both with emphasis in information systems, from the University of Mississippi. He is a Certified Public Accountant in Mississippi and Tennessee. Mike is also a Certified Information Systems Auditor and Certified Information Technology Professional.
Meet the Board

IIA Memphis Chapter members we would like to proudly introduce the Board of Governors! Each month we will spotlight one of the IIA Memphis Chapter board members in our newsletter. We believe this will allow chapter members to become more aware of the chapter structure.

This month we are honored to feature our board member

Become a Certification Study Buddy

Certification candidates must dedicate a great deal of time to studying and utilize various techniques in order to pass their certification exams. This month we would like to provide you a few helpful study preparation tips.

Tip # 1: Purchase the proper certification materials for the exam you will be taking.

Tip # 2: Take a certification review course (if possible)

Tip # 3: Study for at least 80 to 120 hours prior to attempting to take the certification exam

Tip # 4: Study with another certification candidate that will be taking the same exam.

Tip # 5: Talk to other IIA members that have obtained the certification.

For more helpful tips and tools about study for IIA certifications, please go to https://na.theiia.org/certification/Enrolled/Pages/Exam-Preparation-Resources.aspx

Congratulations to the following on their certifications:

Your Choice of Any CGAP Study Materials

Order your study materials today! Post this flier on your chapter website and share with your members at your next event. Use promotion code CHAPTER when ordering to save 20% on any CGAP study materials through Oct. 31, 2016.

During October, The IIA is waiving the CGAP exam application fee, so encourage those interested to take advantage of extra savings on any CGAP study materials to help prepare for the exam.
A technical expert with industry knowledge and an arsenal of strong auditing tools and techniques.

A strategic thinker who can analyze problems quickly, manage change effectively, and drive projects successfully.

A trusted supervisor who can train, motivate, and inspire a team to perform at the highest levels.

A dynamic leader who can communicate ideas clearly, influence organizational policy, and drive change.

**CPE Information**

Certified individuals have until **Dec. 31** to report continuing professional education credits to keep their accreditation(s) in good standing with The IIA. Many on-location seminars and eLearning options remain to fulfill this year’s requirement, as well as several conferences.

**Things to know:**

As a benefit of membership, CPE reporting fees are waived for North American members. If you have met your annual requirement already, log on to CCMS to complete the CPE Reporting Form before the end-of-year rush.

Keep it local – check your local chapter’s listing for CPE opportunities.

**Call for Volunteers**

We have a need for 2-3 volunteers for the Programs Committee. The duties will consist of assisting in registration for meetings and other events such as helping with the creation, distribution, and collection of badges. If you are interested in volunteering, please contact Melanie Barnes at Melanie.barnes@fedex.com.
