From the President

This is the season to achieve goals!

IIA Memphis Chapter strives to provide quality training so that professionals can achieve their predetermined goals. Currently, we would like to determine the interest in our chapter of having a CIA Review Course. It is our goal to offer this course which will be led by an instructor. We would like for chapter members to respond to the CIA Review Pre-Event survey so the IIA Memphis Chapter can properly tailor this training course.

We know you all have choices of how you accomplish your professional goals. Thank you all for participating in our training events. It is greatly appreciated!

Regards,

Valerie J. Annang
IIA Memphis Chapter President
