President’s Message

Milwaukee Chapter Members,

As we wrap up the 2017-2018 Chapter year, I want to thank you for your active participation and engagement this past year. I have enjoyed meeting many of you at the various training events and social gatherings. For the first time, we are excited to offer summer events to keep us all connected. We hope to see you there!

For the current Chapter year, which started June 1st, the Chapter voted on the slate of Officers and Board members. All nominations were approved, and you can read about our new leadership on the next page. I would like to personally thank the Chapter leaders whose term has come to a close.

In the coming Chapter year, we are committed to offering...

• Valuable training opportunities on topics you’ve requested via the engagement and evaluation surveys
• Thought-provoking leadership roundtables for all levels (managers, directors, and chief audit executives)
• Forums on select topics of interest
• Social events and networking opportunities

We welcome your feedback on different ways we can add value to the Chapter and better serve the needs of our members.

Thanks for a great year!

Juanita Banks
Chapter President

As part of our Chapter year-end celebration at the Brewers’ game, Representative Dale Kooyenga spoke about how his background as a CPA has helped him serve as a Wisconsin legislator. We also celebrated Internal Audit Awareness Month and received a Proclamation from the Governor.
