President’s Message

Thank you to everyone who attended our Mr. Excel seminar in January. It was the largest turnout for a seminar ever held by our chapter, which was exciting. A lot of work goes on behind the scenes for the chapter events. I appreciate all the hard work put in by the Chapter Leadership to get things lined up and ready – Thank you Brittney, Debra, Kelly, and Tiffany. Several people at the seminar asked for access to his visual presentation. Mr. Excel did not send me a link – but if you are interested in receiving the information, you can email him and request the PowerPoint presentation.

Chapter leader elections will take place in April. The election process will be April 8 – 12 using a ballot via Survey Monkey emailed to members. As part of the revision and update to the IIA Chapter Bylaws, the officer position slate has been expanded to 6 positions. The roles are President, Vice President, Secretary, Treasurer, Membership Officer, and Programming Officer. I’d like to request nominations for the chapter roles above (descriptions of each role are outlined in this newsletter) – if you are interested in joining leadership, send me an email to get your name on the ballot. Our chapter has a 2 year term for elected positions with the chapter year running from June – May.

If you need any further information about the chapter leader roles – please don’t hesitate to ask.

Thanks so much!

Kristina Davis
