President’s Message
I hope all of you are doing well and are staying safe during these challenging times. Many changes are taking place in our daily lives, both physically, mentally, and spiritually. Disruption seems to be the best description – remote classrooms, cancelled vacations, lost proms, rescheduled graduations, limited contact, altered work load/location, heightened reverence for others and their lives, along with many other things. May we all come out of these highly sensitive times with appreciation of how these times have enhanced our lives. Let us all treat each other with respect and compassion as we move forward into the future.

As all this is swirling around us, the Chapter Leadership has started to plan the upcoming chapter year. We have moved the Spring Seminar from May to September and will offer it as an interactive webinar. We are also looking at different modes of training, whether providing access to all for an online course or setting up Zoom for “live” events; adapting to what is best for our members. Speaking of adapting – if you are an IIA member, please check your email for “Vote on Proposed Changes to The IIA’s Bylaws” from IIA HQ/Richard Chambers. It is important for everyone to participate in the establishment of guidelines for the internal audit field – use your voice and vote!

Thank you for your support and stay safe,

Kristina Davis
