November is here – Fall (weather finally feels like it), Thanksgiving, Black Friday! Before you get drawn into these things, come to Redstone Federal Credit Union on Tuesday, November 12th to hear about Environmental Auditing. Our speaker will be Melissa Hart. She has over 35 years of experience in private industry and consulting. She should have some interesting stories.

Also, if you want to keep abreast of what the IIA has going on or what North Alabama Chapter of IIA has going on, check out our social connections (links below). We want to thank Suzanne Stone, our newly appointed Social Media Coordinator, for keeping us aware of the latest.
