Chapter Member Featured on the IIA’s Audit Channel

Perry Liu, CIA and Chief Audit Executive of CSAA Insurance Group, was recently interviewed by Tim Berichon, Director of CAE Services at The IIA. In the interview he talks about how his internal audit team leverages data analytics, how the independence of internal audit is preserved while overseeing a second line of defense function, and how his role as an enterprise leader allowed him to seize the opportunity to also be a leader in diversity and inclusion efforts and his company. The interview is available on the IIA’s Audit Channel.

IIA Exam Testing Still Available

The IIA has adopted online proctoring to enable candidates to take the Certified Internal Auditor® (CIA®), Certification in Risk Management Assurance® (CRMA®), and CIA Challenge exams from home. Visit the IIA’s Certification Online Proctoring page for more details.
