Hello Chapter Members,

I am looking forward to our December 1<sup>st</sup> program at the Blackhawk Grille in Danville. This will be a great time to socialize and reflect on our past 30 years as a chapter. We are inviting our past presidents to share in this celebration. I am also looking forward to hearing Patti Miller speak to managing stakeholder expectations during this program. I also wanted to express my thanks to Cheryl Louie and Tracy West for all the hard work they put into planning this event for our chapter members.

On October 6<sup>th</sup> Brenda Roberts and I had the privilege to speak to the students at California State University, East Bay about the audit profession. The students were very eager to learn about audit and the role we play. They were excited to hear about travel opportunities and were especially interested in Brenda's experiences as an elected official with the city of Oakland.

I also would like to thank Ahmad Ghafouri for recently conducting a Chevron office visit for California State University, East Bay students. It was nice to receive all the positive feedback from the students on this event. It is very important to promote the audit profession with our local colleges and I appreciate our board's efforts in this area.

On October 20<sup>th</sup> I attended the fraud seminar by John Hall. The session was very informative and it was great to see so many of our members at this event. A special thanks to Mushtari Nagpurwala who did an outstanding job putting on this seminar, which was well received by our Chapter.

A reminder to board members our next meeting will be December 1, 2016 at San Ramon Chevron Park Building A - 1st Floor A1030 from 11:00 to 12:30.

Until next time,

John Driscoll
Chapter President
Northern California East Bay Chapter

Hello All,

We had our first Seminar of the chapter year on October 20<sup>th</sup>; it was well attended by 47 attendees. John Hall presented his experiences working with MGM Grand and various lessons learned from fraud training. During the training, we also covered on “Systemic Fraud” and what are the technology and cyber concerns related to fraud risk within a company. Various examples detailed the scenario of the fraud and what were three “C’s” of Fraud. John Hall also presented interview techniques and how to identify the verbal and non-verbal cues.

The next Seminar of the chapter year will be hosted on January 12<sup>th</sup> at the Chevron San Ramon location. There will be two presenters: Marina Gouchian and Dan Samson who will present “the essential soft skills for high-performing internal audit function and auditing for value – making management’s head turn.”
These two speakers are local IIA leaders and have a lot to share from their varied experiences over the years.

Save the Date!! December 1, 2016, the one and only Patty Miller will be addressing NCEB on Managing Stakeholders Expectations. We all remember Patty as the past Chair and on the Executive Committee and she has been a guest speaker in several NCEB events in the past. She is currently on the IIA Global Board of Directors. This date is also our celebration of 75 years for the IIA and this is why we are hosting the program at BlackHawk Grille in Danville. Enjoy socializing with your peers with appetizers and learn what Patty has to say on this topic. Please sign up as soon as possible so we can get a head count. Please note the deadline and there will be no walk-ins to this event. We hope to see you at the celebration!
