Greetings chapter members!
As we round the corner on the final weeks of summer, it is time to reflect on our last chapter year and plan for the next.

We facilitated several training events last chapter year, to the tune of 9 CPEs! Sessions included: Top 5 Mistakes Audit Departments Make, Digital Forensics, What’s Your Cybersecurity Maturity, and a Fraud Discussion Panel (joint event with NVCPA and ACFE chapters). We know your continuing education is important and we are dedicated to providing live courses for our members. This year we are excited to kick-off on August 22 at the Governor’s Mansion in the Nevada Room. This 2.0 CPE event on Ethics will be delivered straight from the Executive Director of the Nevada Commission on Ethics and is also an anniversary celebration as our chapter reaches the 40 year-mark this August! Come celebrate with us while earning your (required) Ethics CPEs at a nominal cost of $5.

There is always a need for more volunteers to help manage the chapter. Members can help with programming, membership, student outreach, or participate with decision-making as a Board member. Email the chapter if you’d like to participate to our new email address: Chapter157@iiachapters.com
