Message from the President

Hard to believe summer has transitioned to fall, but I am enjoying the cooler nights and autumn colors. We now have a child in high-school and one in college, both experiencing virtual and in-person classes. I am thankful we have access to the technology and infrastructure that makes this possible.

For those able to attend, thank-you for joining us virtually during the annual ISACA/IIA Risk Summit. A special thanks to Dave Cutri, University of Toledo, and Gibb Patt, Sailpoint, for organizing the talented collection of speakers, managing Q&A, and keeping us on task. Also, a shout-out to our speakers, who took time to share their wisdom, experiences, and advice.

Finally, I am thankful for our Board of Governors, who volunteer their time, talent, and focus to push our chapter forward. However, we can’t do this alone and need your help! As we continue to grow, we need volunteers to support our efforts. By being part of either the Board or a Chapter Committee you will be an important part of our future success. Please let us know if you are interested in helping by sending an email to chapter507@iiachapters.org.

Sincerely,
Scott Wintringham
IIA Northwest Ohio Chapter President
