Message from the President

As Summer has come and gone and football season is upon us, your IIA NW Ohio chapter is full steam ahead with our programming year. Thank you to all that joined us at the annual ISACA/IIA Risk Summit held at the University of Toledo Health Science Campus. It is amazing how this event continues to grow and deliver great value to our members and guests. This year was a sellout with 72 attendees. Thank you our speakers and sponsors for supporting our chapters.

Your IIA Northwest Ohio Board of Governors continues to work very hard to ensure the chapter will thrive for years to come. To do this, we need your help! As we continue to grow as a chapter, we need volunteers to support our efforts. By being part of either the Board of Governors or a Chapter Committee you will be an important part of our future success. Please let us know if you are interested in helping!

Sincerely,
Matt Hoverman
IIA Northwest Ohio Chapter President
