CONGRATULATIONS NEWLY CERTIFIED MEMBERS!

Audie Hamman, CIA
President’s Message

Hello Again Fellow IIA OK Members,

I hope everyone continues to stay healthy and safe and is adjusting to our new environment. As we close out our chapter year, I wanted to once again take time to thank our Chapter Officers, Board Members, and Volunteers who have helped keep the chapter running smoothly in this unprecedented time. I look forward to working with the new Officers to continue delivering support and education for our area Internal Auditors!

The IIA Headquarters is in the process of implementing term limits for Chapter Officers and Board Members. This has impacted several IIA OKC Officers and Board Members who have been serving the chapter in various roles for many years. I wanted to take a quick moment to express sincere gratitude for the countless hours and years they have spent improving our chapter. We definitely would not be in the position we are today without their knowledge, guidance, and dedication. Please thank these members the next time you see them (or via email), as they have been instrumental in our chapter's growth:

- Rachel Brunson
- Taylor Foster
- Jean Hale
- Pam Martindale
- Lori Rice

We look forward to their continued participation with our chapter!

We were fortunate to partner with the Tulsa and Central Arkansas IIA Chapters for a webinar that took place on May 14th. Beth Z provided many tips and tools for staying focused and productive in our current environment, which has many of us attending more videoconferences than we thought possible! If you were not able to attend, or would like to re-watch the webinar, a link to the presentation is included below (Note: Watching the recording does not qualify for CPE.)

Additionally, Beth Z is offering our Chapter a chance to purchase her book *The BIGGER Book of Apps* for $5.69 per copy. This is over 75% off the retail price. If you are interested, please use the link below to order:

As we transition into the new chapter year, I wanted to thank you all for having me as your President. It has been such a wonderful opportunity to collaborate not only with Internal Auditors in the Oklahoma City area, but with those all across the country. I look forward to continuing my work with the chapter and encourage you all to do the same!

I hope you have a safe and wonderful summer and hope we can all meet in-person again in the near future!

Whereas, the State of Oklahoma recognizes the importance of audits by acknowledging the value of a systematic, disciplined approach to evaluating and improving the effectiveness of risk management, internal control, governance, information technology, and business processes; and

Whereas, internal auditors play an essential role as independent, objective professionals who help organizations improve their operations and accomplish their intentions; and

Whereas, because internal auditing is increasingly sophisticated and complex and requires specialized knowledge, the Oklahoma City and Tulsa chapters of the Institute of Internal Auditors (IIA) provide continuing professional education activities and guidance regarding internal auditing and its appropriate role in protecting against risks, balancing opportunities and vulnerabilities, and assessing and strengthening corporate governance to various industries in our great state; and

Whereas, the national IIA, and its Oklahoma and Tulsa chapters work together to promote an advocacy strategy by building relationships with governments entities, regulators, oversight bodies and professional associates whose decisions often impact internal auditors; and

Whereas, internal auditors promote accountability, productivity, and improvement of management controls in public and private entities;

Now Therefore, I, Governor J. Kevin Stitt, do hereby proclaim May 2020, as

“Internal Audit Awareness Month”

in the State of Oklahoma.

In Witness Whereof, I have hereunto set my hand and caused the Great Seal of the State of Oklahoma to be affixed.

Done at the Capitol, in the City of Oklahoma City, this 17th day of April, in the Year of Our Lord two thousand and twenty, and of the State of Oklahoma in the one hundred and twelfth year.
