President’s Message

Hello and Happy New Year Members!

It’s hard to believe we are already through January 2020 (where are the flying cars?!). We had an excellent turnout for our winter social at Parlor! A special thanks goes to Alison Bridgmon (President-Elect) for finding this unique venue and coordinating our event, as networking opportunities are such a valuable part of our Chapter membership. Additionally, I want to thank all the members who took time to complete the Member Needs Survey. This survey helps our Chapter identify what is important to you, as members, and communicates critical information to IIA Headquarters. I understand there was some frustration with various members not receiving the link to complete the survey, so I really want to thank everyone who was able to help provide this valuable feedback. Our Chapter was well represented in the survey, which doesn’t go unnoticed by Headquarters!

As we are entering the last half of the chapter year, it is time to start planning for 2020-2021. We are still looking for members who would be interested in holding an Officer position next year. If you are interested in obtaining more information about the Officer roles, or would like to understand what other volunteer opportunities the Chapter has, please feel free to email me (iiaokcnameofemail@gmail.com) for additional information. Not only do volunteers qualify for CPE hours, but the networking and leadership opportunities are invaluable.

I look forward to seeing you all at one of our upcoming events!

Sammi de la Vega,
IIA OKC Chapter President
