> "As always Angela did a great job"

> "Provided good information that can be used in future projects"
I worked for John Q Hammons for 38 plus years. In the first 15 years I worked in operations at eight different hotels and worked seven different positions. I moved to Springfield and the audit department in 1994. I was promoted to Director of Internal Audit in September 2006. I have been an IIA member since February 26, 2002 and on the Ozark Chapter board for 7 years. I studied in the accounting field at Eastern Montana College (Now Montana State University Billings).

I cannot believe it has been two years that I have had the privilege of serving as the President of the Ozarks IIA Chapter. This is a fantastic chapter of talented individuals that everyone should be proud to be a member. We have had some accomplishments such as starting up some luncheons & all-day seminars in Joplin, achieving & maintaining Platinum status and in April 2018 having our largest attendance at any event in the past two years at the Mr. Excel all-day workshop including 31 non-member guests. If you haven’t attended a luncheon or seminar this year you have missed some good education.

I can’t start to name all the individuals that have volunteered their time to serve this chapter but a big THANK YOU to the Board of Governors that provide guidance and leadership in various roles and responsibilities to bring quality services to the membership.
