The Chapter is planning on distributing a Member Directory to provide a means for members to reach out to others within the Chapter. The Directory will include each chapter member’s name, employer, phone number and email. The directory will not include members who have opted to be excluded from a directory in their IIA member profile. In addition, if a member has opted to not be contacted via phone or email the member’s phone or email will not be included. If you have not selected these options within your IIA member profile and DO NOT want to be included in the Ozarks Chapter Member Directory, please email OzarksChapterIIA@gmail.com by 12/31/16 to ensure your information is not included. The Board will not distribute the directory to anyone outside of the Ozarks Chapter.
