### Monthly Update

Just wanted to remind Chapter members about CAP points. Our Chapter reports our activity each month to The IIA. This helps track the progress of our Chapter in achieving our goals and provides a numerical comparison to other chapters. We receive points when our members participate in various activities, such as giving presentations, writing/submitting/publishing audit related articles, writing CIA exam questions, etc.

If you, or someone you know, is involved in something like this let us know. We would like to recognize their achievement and reflect it in Chapter reporting. If you are not sure the activity qualifies, let us know and we will look into it further. Forward the information to any Chapter officer. Contact information is on the last page of any newsletter.

With outstanding member support, the Ozarks Chapter has maintained Gold status the last seven consecutive years! We are off to a great start this year and fully intend to keep the momentum going. Thanks to you all for supporting your Chapter! The success of our Chapter definitely could not happen with out you!
