Happy Thanksgiving IIA Members and Friends,

As we approach this time of the year with opportunities to enjoy our families and friends, I want to share a few chapter events and some ways to bless others.

Training Opportunities:
Grant Thornton will be providing our Annual Harvest Hope Seminar on December 7, 2016. Topics to be covered include: Soft Skills, Fraud, Identifying Emerging Risks, Cybersecurity, Auditing Culture, GRC Survey and Trends in Internal Audit.

This is our annual food drive for Harvest Hope. If you plan to attend make sure to bring canned goods in order to be entered into the drawing for prizes.

Please see an updated training schedule for the spring as well as some training classes offered by our IIA chapters in Charleston and the Upstate on pages 2-4.

Ways to Bless Others:

- Don’t forget your canned goods for Harvest Hope.
- Sign up to work with the Scholarship Committee to assist in outreach to USC.
- Talk with your management about volunteering to serve as our 2nd VP (The opportunity provides leadership training and networking, 15 hours of CPE from the IIA for any IIA license holder, 2 paid trips to Disney in Orlando, free training at any chapter sponsored class, and potential advancement in the audit profession.)

If you would like to lend a hand, please see one of our officers at the December training or email me directly at salena.mulliken@scana.com.

Thankful for our group,
Salena
