Calling All Volunteers!

Volunteers are the heart of the Chapter’s work. You would help identify trends, programs and services to ensure that the Palmetto IIA Chapter continues to advance the practice of internal auditing. Volunteering is a great opportunity to network, exchange ideas and perspectives, and develop leadership and communication skills. The following positions will be open for the upcoming 2018-2019 chapter year:

- 2nd Vice President
- Treasurer
- 3 Board of Governors

Please submit nominations to PalmettoChapterIIA@gmail.com.

Don’t forget our chapter is offering a $2,000 scholarship for a deserving USC student. All applications are due by May 7th. Applications can be found on our website at https://chapters.theiia.org/palmetto/News/Pages/2018-The-Palmetto-Chapter-IIA-Scholarship-Application.aspx.

The annual chapter survey will be distributed in May to all members for you to let us know how we’re doing, what you want from your chapter and, most importantly, who you would like to elect to lead your chapter.

We look forward to seeing you at our March 21st Chapter event with Kevin McCarthy – “Beyond the Blindspot Zone.”

Respectfully,
Courtney McGreer
Palmetto Chapter President

**Beyond The BlindSpot Zone**  (7.5 CPEs)

There are more than 200 cognitive biases and thinking errors that affect our daily decision-making abilities, our behaviors and beliefs. Yet, more than 85% of us believe we are less bias than the average person. This cognitive disconnect places a lid on our influence, creates conflicts in our relationships and skews our decision-making abilities.

**Welcome to The BlindSpot Zone.**

Awareness and mastery of our blindspots leads to more ethical choices, fewer interpersonal conflicts, more inclusive workplaces, more effective leadership, better hiring decisions, and reduced compliance risks. Let Kevin McCarthy teach you how.

New IIA CPE Policy

Effective January 1, 2018, the IIA updated its Continuing Professional Education (CPE) requirements. The biggest change is the new ethics requirement which requires two hours of ethics training ANNUALLY. As stated in the IIA’s Continuing Professional Education Policy, Section 2.2, Ethics Training:

“Certified individuals are required to complete two CPE hours focused on the subject of ethics. Ethics training hours may be applied toward the individual’s total annual CPE requirement. The IIA does not prescribe where an individual must obtain this training. However, the training must occur annually, within the reporting period.”

Please keep this in mind as you plan and obtain your 2018 and beyond CPE requirements to maintain your certification(s). You can access the updated policy by clicking here.
