Greetings IIA Portland Chapter Members,

We are excited to announce a variety of virtual events for the remainder of 2020! While we are not able to host our usual luncheons and networking events, we are determined to offer learning and networking opportunities for our members. It may take some time getting used to virtual events, but we hope that you will still find the same value.

In order for an internal auditor to meet the ‘value add’ component of professional advancement of women in internal audit to shine a spotlight on opportunities to enhance growth and professional advancement of women in internal audit, we have recently started a new committee. Our goal is to provide opportunities for women to develop skills, build relationships, and share ideas with one another. If you are interested in joining the IIA Portland Chapter as an officer, board of governor, or any other chapter volunteer? Request your membership here.

This year is going to look very different than previous years (as we plan to be virtual for all events), we are unable to attend the training due to illness. Keep an eye on the website for other chapter volunteer opportunities.

don't hesitate to contact us! We are here for you!

- The Customer Service Role of the Internal Auditor
- Technical Competencies vs. Soft Skills
- Data Analytics Webinar
- Financial Services Audit
- An Agile transformation is a change in mindset, not "how" to audit, but gives IIA members the courage
- Audit What Matters Most
- “how” to audit, but gives IIA members the courage
- The extrajudicial killings of George Floyd, Breonna Taylor, and countless other Black individuals are deplorable
- Upcoming IIA Portland Chapter Events
- Upcoming Government/Public Sector Events
