From the Desk of the President:

Spring 2021 is here and we are springing into action to provide IIA members the best value! The IIA San Diego Chapter has been busy in providing training to its members, including Data Analytic user groups, CAE roundtables and other virtual trainings, including ethics and auditing travel and expense policies during this pandemic. Our next virtual training will be held in May related to Agile Auditing and we look forward to celebrating International Internal Audit Awareness Month. We look forward to the time that we can meet in person and, until then, we will continue to provide value in training courses, certification updates and other network opportunities.

Volunteer with The IIA - A great networking opportunity and giving back to the community is becoming a volunteer with The IIA San Diego Chapter. Volunteering includes IIA CPE through volunteering and attending leadership conferences, such as the Leadership Academy and the District Workshop. It includes networking, working with students, promoting the internal audit profession at local universities, building leadership skills and building relationships within the community. If you would like to volunteer, please contact us at iiasdchapter@gmail.com.

Want to become a CIA? - Now is the time. The IIA San Diego Chapter offers discounted CIA Learning System material and can provide a mentor while studying or connect you with another member who is studying for the same part. If interested, please contact the Certification Chair at iiasdchapter@gmail.com.

As we enter April, we will be holding our Chapter Elections and also updating the Chapter Bylaws in accordance with The IIA North America guidance. Please stay tuned in coming weeks regarding voting in the Chapter Elections and voting to adopt and approve the Chapter Bylaws. Also, be sure to register [here](#) soon for The IIA’s 2021 International Conference being held on June 14th-18th. Early registration pricing ends April 16th!

Best regards,
Kathleen Medlin, CIA, CGAP
