A MESSAGE FROM THE PRESIDENT

Chapter Members –

Back by popular demand…..our Chapter newsletter! The newsletter may have a different look, but still contains valuable information for all our members. Please take a few minutes to read through the newsletter.

I would like to briefly introduce myself as I am sure there are many of you I have yet to meet or maybe we have met, but our interaction has been limited. I am a Senior Auditor at The First National Bank in Sioux Falls. December 29 will mark my 5 year anniversary with the bank. Prior to coming to the bank I worked for RSM LLP as an external auditor for about 9 years. I have my CPA and CIA certifications.

I have been a member of the Chapter for almost 5 years and I served as Vice President last year. I am a member of and serve on the board for Sioux Falls Rotary North and serve on EmBe’s Finance Committee. I also volunteer as a classroom teacher for Junior Achievement.

I reside in Beresford with my husband, Dustin, 3…soon to be 4 children, Kate (10), Darren (7), and Emma (3), and our dog, Lucky. There is never a dull moment in our house as we juggle schedules and spend time making memories. In my spare time I enjoy reading, running, and baking.

Sabrina Degen, Sioux Falls IIA Chapter President 2019-2020

CERTIFICATION CORNER

CERTIFIED INTERNAL AUDITOR (CIA) CPE REPORTING WINDOW OPEN

All certified individuals must report annual continuing professional education (CPE) credit hours, including 2 hours of ethics CPE, by December 31. This lets you display your certification credential(s) and makes you eligible to be included in The IIA Certification Registry. Additional guidance on what qualifies for CPE, including ethics, is provided on the IIA website. [CPE and CPD Requirements]

INTERESTED IN OBTAINING A CIA CERTIFICATION?

As the only globally recognized internal audit certification, becoming a CIA is the optimum way to communicate knowledge, skills, and competencies to effectively carry out professional responsibilities for any internal audit, anywhere in the world.

The IIA’s CIA Learning System will prepare CIA candidates for the CIA exam. The IIA’s CIA Learning System teaches and reinforces the entire updated global CIA exam syllabus in a flexible, online format, with optional printed books to ensure you’re prepared to pass the CIA exam and armed with critical tools and knowledge to excel in your internal audit career. The system includes comprehensive reading materials and interactive online study tools. [IIA CIA Learning System]

CAP REPORTING – GOING FOR GOLD

The Chapter Achievement Program (CAP) is an achievement and recognition program for chapters that use points to recognize chapter activities aligning with the North American Strategic Plan. The program helps to set minimum standards of performance for service to members and to the profession. It also provides a means to evaluate chapter success.

A chapter must earn the minimum CAP points annually in each of the 3 service categories to participate in the CAP program. The 3 service categories are: 1) Service to Members, 2) Service to the Profession, and 3) Chapter Administration.

Our new term started June 1st. Below are just some ways you can help us easily earn CAP points and we would certainly appreciate your help. Besides attending chapter events you can help the Chapter earn CAP points by:

- Submitting articles to the Internal Auditor magazine, or other professional journals; extra points are given if your article is published
- Developing exam questions for IIA Certification exams
- Hosting an internal audit event at work (Lunch and Learn)
- Meeting with a legislator or local politician to discuss The IIA, legislation, etc.

Please send all activities you, as a member, participate in related to the categories above to our Chapter Vice President [Teresa Ward].
