President’s Message

To the Members of Southwest Florida Chapter and Friends,

Welcome to the beginning of fiscal year 2021-22. On Tuesday July 6, 2021, we have a Governors Meeting (Zoom) starting at 5 pm.
https://theiia.zoom.us/meeting/register/tJUkduiurTIqGtbDmtlVx3IGw5amfk1LG65

Coming up on Saturday July 17, 2021, we have the virtual District Workshop https://theiia.zoom.us/j/91376269461 with District Representative Lily Li from the University of Florida.

This is the time of year when we look for speakers for the coming years’ events. As we saw last year, with our events held virtually, we can look for, and have speakers from outside the area or state since all they have to do to present is get on a Zoom meeting. Contacts have been made with the Federal Bureau of Investigation, Internal Revenue Service and FGCU and others. If you have contacts for a good speaker, please let folks know about it.

Our normal CPE schedule has 8 events with 23 CPE hours available. Last year, since we made our October all day event a 2 day event, we had 31 CPE hours available, including 2 hours of ethics.

While last year was our Chapter’s 30th straight year for making Gold Status in the IIA’s CAP program, fiscal year 2021-22 will be the Chapter’s 34th year of operation.

With my Regards,
Bill Foster
President – Southwest Florida Chapter #226 2020-21

**Here are a few housekeeping ideas to keep in mind:**

- **Update your member profile** - Have you moved, changed jobs, changed your name, etc.
- **Invite someone to the next meeting** - You would be amazed by the number of members who have not been to a meeting.
- **Submit topics and/or speakers for CPE sessions** - The Program committee could use your knowledge and expertise on potential speakers or topics of interest.
- **Attain a Certification** - The IIA offers multiple certifications that, upon attainment, will help you to distinguish yourself professionally from your peers and throughout the profession.
- **Meeting Registration** - Please adhere to the deadlines for signing-up for meetings. It is our policy that no-shows will be billed unless at least one-day notice is given to the Chapter.
- **Meeting Etiquette** - Please respect our speakers by remaining seated, minimizing chatter, and silencing mobile phones during presentations. We understand there may be emergencies and cannot dissuade anyone from attending to those situations.

---

**Help the Chapter. Report Your Speaking and Writing Presentations!**

Just a reminder to our Chapter members! If you have submitted articles to a trade publication or spoken on an internal audit topic at a meeting, seminar, or CPE class, please report your activities so we can earn Chapter Achievement Program (CAP) points. The current CAP system will help us meet the activity for event partnership with another chapter or District collaboration. If you have participated in one or more of these activities, please e-mail the details to the Chapter President.

Fellowship Program

For more than 75 years, The Institute of Internal Auditors has provided dynamic leadership for the profession of internal auditing. As the profession’s global voice, recognized authority, chief advocate, and principal educator, The Institute stays intimately connected to the profession and the topics that matter most. By uniting practitioners, business partners and thought leaders, The IIA Fellowship Program supports The Institute’s mission to proactively develop guidance and research on leading trends and practices in the internal auditing profession.
The IIA Fellowship Program seeks to expand the capability and capacity of The Institute to serve its members in a proactive, timely manner. To that end, The IIA calls on internal auditing leaders, partners, and audit executives to lend their best and brightest employees to The Institute for a six-month rotational fellowship in Research, Professional Guidance and the Audit Executive Center.

Specifically, internal audit practitioners at various levels of experience and achievement will use their expertise and energy to help conduct an array of research, develop guidance in response to legislative and internal auditing issues, and create innovative tools and services for internal audit professionals.

IIA and Junior Achievement

Have you ever wondered how you could invest your time and get involved in inspiring future business professionals?

In 2005, The IIA signed a Memorandum of Understanding (MOU) with Junior Achievement (JA) Worldwide to partner in support of good governance and strong ethics in the business community. This partnership is helping to educate K-12 students on business issues such as ethics, integrity, corporate accountability, and financial literacy. Through age-appropriate curricula, JA programs begin at the elementary school level, teaching children how they can impact the world around them as individuals, workers and consumers.

IIA headquarters staff takes time to work as JA volunteers in the community to raise awareness of The IIA and how internal auditors bring value to an organization. Members are encouraged to volunteer with their local JA to make a difference to tomorrow's business professionals.

Why Volunteer?

- The students need you! You can make a difference by helping shape someone's future.
- It is a chance to mentor young people who will soon be part of the work force.
- It is an opportunity to share your experiences and personal stories with young people.
- You can contribute something of value to your community.
- It can be a learning and self-development experience for you, too.
- Your profession needs you! You can explain to tomorrow's professionals what internal auditors do and illustrate the value they bring to an organization.

CAP Points for JA Involvement

Members who volunteer for JA can help their chapter earn Chapter Achievement Program (CAP) points. Each hour volunteered in a classroom teaching a JA sponsored activity is worth points. Even if you're involved with JA through your workplace, it can still be counted as a JA activity for your chapter. At the end of the school year, the chapters with the highest level of participation with JA will receive the "Most Inspiring Chapter" award and recognition on The IIA Web site. Points can also be earned by hosting a fundraising event for JA.
