6  THE AUDIT SCOPE

Here are a few housekeeping ideas to keep in mind:

- **Update your member profile** - Have you moved, changed jobs, changed your name, etc.
- **Invite someone to the next meeting** - You would be amazed by the number of members who have not been to a meeting.
- **Submit topics and/or speakers for CPE sessions** - The Program committee could use your knowledge and expertise on potential speakers or topics of interest.
- **Attain a Certification** - The IIA offers multiple certifications that, upon attainment, will help you to distinguish yourself professionally from your peers and throughout the profession.
- **Meeting Registration** - Please adhere to the deadlines for signing-up for meetings. Our Chapter has contracted with Holiday Inn for our monthly meetings and seminars. As in the past, we are contractually obligated to advise them of the total count 72 hours before the meeting. If you are unable to attend and do not let us know, the meal then becomes an unexpected cost to the Chapter. It is our policy that no-shows will be billed unless at least one-day notice is given to the Chapter.
- **Meeting Etiquette** - Please respect our speakers by remaining seated, minimizing chatter, and silencing mobile phones during presentations. We understand there may be emergencies and cannot dissuade anyone from attending to those situations.

Help the Chapter. Report Your Speaking and Writing Presentations!

Just a reminder to our Chapter members! If you have submitted articles to a trade publication or spoken on an internal audit topic at a meeting, seminar, or CPE class, please report your activities so we can earn Chapter Achievement Program (CAP) points:

- Each speaking engagement on internal auditing that a Chapter member completes will earn 1 credit per CPE hour. This includes members who speak at their own Chapter’s monthly meetings.
- Each full article, Roundtable article, Fraud Finding, Computers & Auditing, etc. submitted that meets basic editorial guidelines earns 5 credits.
- For each full article published, 20 credits are earned.
- For each Chapter who submits over 10 Roundtable articles during a year, 5 additional credits are earned.
- Each internal audit related article published in any other trade or professional journal that is authored by a chapter member is 5 credits.

If you have participated in one or more of these activities, please e-mail the details to the Chapter President.

As the profession’s global voice, recognized authority, chief advocate, and principal educator, The Institute stays intimately connected to the profession and the topics that matter most. The IIA Fellowship Program seeks to expand the capability and capacity of The Institute to serve its members in a proactive, timely manner. To that end, The IIA calls on internal auditing leaders, partners, and audit executives to lend their best and brightest employees to The Institute for a six-month rotational fellowship in Research, Professional Guidance and the Audit Executive Center.

IIA and Junior Achievement

Have you ever wondered how you could invest your time and get involved in inspiring future business professionals?

In 2005, The IIA signed a Memorandum of Understanding (MOU) with Junior Achievement (JA) Worldwide to partner in support of good governance and strong ethics in the business community. This partnership is helping to educate K-12 students on business issues such as ethics, integrity, corporate accountability, and financial literacy. Through age-appropriate curricula, JA programs begin at the elementary school level, teaching children how they can impact the world around them as individuals, workers and consumers.

IIA headquarters staff takes time to work as JA volunteers in the community to raise awareness of The IIA and how internal auditors bring value to an organization. Members are encouraged to volunteer with their local JA to make a difference to tomorrow’s business professionals.

Why Volunteer?

- The students need you! You can make a difference by helping shape someone's future.
- It is a chance to mentor young people who will soon be part of the work force.
- It is an opportunity to share your experiences and personal stories with young people.
- You can contribute something of value to your community.
- It can be a learning and self-development experience for you, too.
- Your profession needs you! You can explain to tomorrow’s professionals what internal auditors do and illustrate the value they bring to an organization.

CAP Points for JA Involvement

Members who volunteer for JA can help their chapter earn Chapter Achievement Program (CAP) points. Each hour volunteered in a classroom teaching a JA sponsored activity is worth points. Even if you’re involved with JA through your workplace, it can still be counted as a JA activity for your chapter. At the end of the school year, the chapters with the highest level of participation with JA will receive the "Most Inspiring Chapter" award and recognition on The IIA Web site. Points can also be earned by hosting a fundraising event for JA.
