The IIA Times - Topeka Edition

PRESIDENT’S MESSAGE

Hopefully, you were able to attend the Employee Engagement luncheon with Kristen Brunkow O’Shea or the seminar with Mr. Excel, Bill Jelen! Jeffrey Igercic and Brenda Kindle are doing a wonderful job scheduling our speakers.

Sabrena Beaman has graciously stepped in to take over the newsletter. She is also featured in the IIA Chat, please introduce yourself to Sabrena. Amelia Noe resigned as she is going to start a new career path. We wish her well and know great opportunities await Amelia.

Elizabeth Salas has been working on our Chapter Achievement (CAP) Report. The CAP Report tracks points given to Chapters for Activities the Chapter completes for service to members, service to the profession, and Chapter Administration.

For the 2018-2019 Chapter year the categories have changed to Chapter Health (Governance), Members First, and Professionalism. We as a Chapter are at the Sapphire Level. The levels are Bronze, Silver, Gold, Platinum, Ruby, and Sapphire. Out of the 161 Chapters only 17 Chapters are at the top Sapphire level and we are one of the 17! This is due to the great Leadership of the past and Elizabeth Salas who is recording our points!

If you want to get involved in the Topeka Chapter Board, just let one of the Board members know.

We always welcome volunteers. I hope everyone has a wonderful Thanksgiving surrounded by friends and family! I look forward to seeing you at the next meeting!

Marie Winter-Zima
