Dear IIA members and Friends,

Happy May. This is a big month for our profession. May is Internal Audit Awareness Month!

As an internal audit professional, you play an important role in raising awareness and elevating the profession. IIAMay offers you an important opportunity to promote the profession among your stakeholders.

For example, you can customize your email signature and social media accounts with the International Internal Audit Awareness Month digital icon (below). You can hold a lunch-and-learn in your workplace to dispel myths about internal auditing and explain the value that a well-resourced, independent internal audit function can provide. You can also raise the profile of your internal audit department’s staff members by featuring their biographies in an article for your company’s intranet or internal newsletter.

Don’t let the opportunity pass to advocate the importance of internal auditing to your coworkers and other stakeholders. For additional ideas, sample programs, tips, and templates, download the free Building Awareness Toolkit from The IIA’s website.

Please join us on May 16th for our Spring Seminar and our final event of this Chapter Year. We will welcome Margie Bastolla for 8 hours of CPE! We will be having several door prizes and will also be awarding our annual scholarship! During this meeting we will be presenting our new officers and volunteers! This Chapter could not run without volunteers so we thank each and everyone of you for making this Chapter a success. We have several volunteer opportunities so reach out to us today!

Performance Auditing: Measuring for Results

Join us on May 16th for our full day seminar and 8 hours of CPE with Margie Bastolla, CIA, CRMA. Margie is Principal at Margie Bastolla Facilitations, LLC. She helps internal auditors write audit reports that get results! To that end, she provides customized on-site training for internal audit departments. During Margie’s two-day report-writing seminar, auditors literally “transform their writing” and learn to write audit reports that are clear, concise, and action-oriented.

Margie has been an internal auditing leader for over 25 years. She has spoken to hundreds of organizations, and trained thousands of internal auditors, in more than 40 countries. Her clients include the United Nations, the U.S. military, and many private and public-sector organizations. Previously an executive for IIA Global, Margie served as Vice President of The IIA Research Foundation, Global Director of Advocacy, and Director of Onsite Training Programs.
